

COME HOME TO ROOST.

THE CHERUBS CELEBRATE THEIR RETURN BY CLIMBING UP.

A Stand Off in Yesterday's Game—Cherubs Take One, Nutmegs the Other. Games Elsewhere.

ever, and gave Reach a nice little one, which landed in the ready hands of Captain Jake, and the story was told, for in the last chance, Burns, who went in show off, died by a foul; Mack was killed by Cain, and Jake nabbed Thornton, while Radford lingered on second base.

Here's the score of the first victory for the Cherubs on their return home:

The Cherubs were welcomed back to their own diamonds yesterday by two large crowds and they distinguished themselves by making an even break with the strong team from the Nutmeg State.

Despite the threatening weather some 1,500 enthusiasts saw the first game and about 2,500 the second.

The result was a tie in the percentage and a big time in positions on the ladder. With two or three more victories this week surprising results may be produced.

As now constituted, the Cherubs are as strong as any team in the league and with a little less to guardians have running what will win more games. Several games already were lost by reckless basing running and the name yesterday morning may have resulted differently.

Owing to the non-arrival of the official umpire on time yesterday morning, Mr. Tate went in to officiate and while he erred somewhat in calling balls and strikes, he did fairly well, as the result would not have been changed.

WHY THE CHERRIES?

Mr. Barnes of the National League says the Hartfords will win the championship of the Atlantic League. As that gentile is a good judge and as he believes to some extent in the Hartfords, his prophecy must be considered with variation.

There is no doubt that the Nutmegs are good ball players and their advent into this city was marked by fine playing all around. It is therefore, to the credit of the Cherubs that they held them down so nicely in the first game and beat them so easily in the second.

Nothing in either game marred their playing, save perhaps a little questionable action of Caville, who seemed to have tried to grabbed Ellerfield in the neck without sufficient cause. No bad result came of this, however, and it is to be hoped that the clever center fielder will not do again.

The personality of the Nutmeg team struck the enthusiasts favorably, and when Conestreet and Vincennes got together in this way the waves of the bloody shirt and the calamity howlers would better go off together and jump overboard.

Both teams did splendid work, but the visitors won out.

The morning game was empty throughout, both teams doing splendid work for men who had travelled all night.

It was blank to the fifth when, by the aid of three singles, Vickery scored.

Up to the sixth inning Gastricht held the Cherubs down to two hits, one by Ellerfield, the other by Hargrove, while Vickery, Stolen bases—Preston, Steelman, Doherty, Caville, Double plays—Leever to McDonald, 2d, off Bowen, 4. Hit by pitched ball—Eddy, Struckout by Leever, Vickery, Eddy, G. C. Passed ball—Steelman. Time of game, one hour and fifty-five minutes. Umpire, Mr. Belts.

In the first inning yesterday afternoon, Eddy was hit and limped to first. The Brownie sacrificed him down to second, and he died in attempting to plier third. Foster was given the walk. He stole second and scored on the Copper's single, while Cain went out on a long fly to Caville.

Eddy shied in the third. Foster bunted, and in his effort to put him out at first, Brownie threw wild, wounding the Brownie, and putting Foster on third. Harry sent one out in deep centre for a home, hitting Radford along with him, and the crowd awoke. That made three runs in that inning.

THE LAST TWO.

Not satisfied, in the very next time up, Steelman singled, swiped second, and crossed the rubber, on two outs in the outfield. Eddy saw his motion by Radford's bad throw, going to third. Foster was given the walk. He stole second and scored on the Copper's single, while Cain went out on a long fly to Caville.
